STAFF COMMENTS**

031/04-05/CA 262 Dexter Avenue
Applicant: Chris & Mary Carroll, Owners, Ben Cummings, Architect
Received: 3/14/05 Meeting Dates:
Submission Date + 45 Days: 5/07/05 1) 3/28/05 2) 3)

INTRODUCTION TO THE APPLICATION

Historic District: Leinkauf Historic Historic District
Classification: Contributing
Zoning: R-1, Single Family Residential
Nature of Project: Remodel existing kitchen as per submitted plans. Close existing window and reuse historic sash in location of former window. Install wood French doors.

APPLICABLE SECTIONS OF GUIDELINES AND DESCRIPTION OF PROJECT
Design Review Guidelines for Mobile's Historic Districts

<u>Sections</u>	<u>Topic</u>	<u>Description of Work</u>
3	Alterations	Remodel existing kitchen

STANDARD OF REVIEW

Section 9, STANDARD OF REVIEW, of the Historic Preservation Ordinance states that “the Board shall not approve any application proposing a Material Change in Appearance unless it finds that the proposed change “...will not materially impair the architectural or historic value of the building, the buildings on adjacent sites or in the immediate vicinity, or the general visual character of the historic district.”

STAFF REPORT

Based on the information contained in the application, and in Staff’s judgment:

- A. The proposed construction is in compliance with Section 3 of the Design Review Guidelines.
 - 1. The main structure is an early 20th century wood frame foursquare with a two story front porch and a monolithic hipped roof.
 - 2. Currently there are two original windows on the north kitchen wall.
 - 3. The remodeling plan proposes to relocate the eastern window to the south wall.
 - 4. There is evidence of a previous window in the south elevation where the applicant is requesting to place the window from the north elevation.
 - 5. The applicant is proposing to install a pair of wood French doors between the existing window on the south elevation and the proposed window on the south elevation.
 - 6. The Materials List and Design Details are appropriate for this structure.
 - a. siding to match existing;
 - b. salvaged windows to match existing;
 - c. wood French doors designed to match existing rear porch door.
 - 7. The proposed alterations will not be visible from public view.

Staff recommends approval as submitted.

INTRODUCTION TO THE APPLICATION

Historic District: Old Dauphin Way Historic District
Classification: Contributing
Zoning: R-1, Single Family Residential
Nature of Project: Install 6’ high iron fence as per submitted plan. Install chain link construction fence on interior of lot/block. NOTE: Chain link fence to be temporary and removed upon completion of remodeling of 1000 Dauphin Street.

APPLICABLE SECTIONS OF GUIDELINES AND DESCRIPTION OF PROJECT
Design Review Guidelines for Mobile’s Historic Districts

<u>Sections</u>	<u>Topic</u>	<u>Description of Work</u>
3	Fences, Walls & Gates	Intall iron fence at rear of property. Erect temporary chain link construction fence.

STANDARD OF REVIEW

Section 9, STANDARD OF REVIEW, of the Historic Preservation Ordinance states that “the Board shall not approve any application proposing a Material Change in Appearance unless it finds that the proposed change “...will not materially impair the architectural or historic value of the building, the buildings on adjacent sites or in the immediate vicinity, or the general visual character of the historic district.”

STAFF REPORT

Based on the information contained in the application, and in Staff’s judgment:

- A. The proposed construction is in compliance with Section 3 of the Design Review Guidelines.
 - 1. The main structure is a two story American Foursquare with with Craftsman detailing, 3 sided front porch and monolithic hipped roof.
 - 2. The proposed iron fence is 6’ in height .
 - 3. There will be a matching iron gate at the end of New St. Francis Street.
 - 4. The fence will be black in color.
 - 5. The temporary chain link fence will be located on the property line between the subject property and the property to the east.
 - 6. The temporary chain link fence will not be visible from public view as the area the fence is to be installed is at the interior of the block.
 - 7. The applicants are requesting the fence in order to keep construction equipment and workmen from intruding onto their property.

Staff recommends approval as submitted.
