Council District 2
MTC-038764-2019

Dear Mr. Crowder:

On June 18, 2019, the Mobile Tree Commission approved your request to **remove a 50-inch live oak** in the right-of-way approximately 130 \pm feet north of the Northwest corner of Church Street and South Warren Street, subject to the following conditions:

1. Tree removal permit be issued to a certified arborist who is licensed and bonded to work in the City of Mobile; and
2. All work to be coordinated with Urban Forestry and Alabama Power, in compliance with ANSI A300 pruning standards.

Any additional work, such as the trimming of the other live oaks abutting the property along South Warren Street and Church Street, will require a new application to the Mobile Tree Commission.

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Mobile City Council by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed with the Mobile City Council must be filed with the Mobile Tree Commission within the fifteen-day appeal period.

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. After the appeal period has expired and there are no appeals, the permit must be obtained from the City of Mobile Planning and Zoning office prior to commencement of work. For additional assistance call (251) 208-5895.
