Permit Applications:

- P-2009-08
 853 Virginia Avenue
 represented his application to remove a Popcorn Tree and a Cherry Tree
 from the unopened right of way so the area can be used for boat, equipment,
 and material storage. After discussion concerning use and location of right
 of way, a motion was made to deny the application. Motion carried.
- P-2009-11 2160 N Downing Street Roy Dock represented his application to remove a 20" Water Oak Tree because of his belief that roots have grown into the water line. Discussion followed. Mr. Dock is to have a plumber investigate and bring the results back to the Tree Commission. A motion was made to deny the application. Motion carried.
- P-2009-12 51 Marston Lane Will Mastin of Garden Design Solutions represented this application to remove two Crape Myrtle Trees. Following discussion, a motion was made to approve the application as per staff recommendation as follows: A two for one replacement of like kind and size to be planted on the right of way in the project area with the proper right of way permit. Motion carried.

P-2009-13 7 Bienville Avenue

Staff

reported that the design had not been completed for submission by the applicant. A motion was made to hold over the application. Motion carried.

Urban Forestry – Old Shell Road improvements currently taking place were discussed. It was noted that no application to the Mobile Tree Commission was necessary since the project began prior to the annexation of this area into the City of Mobile. However, there are plans to replace the trees lost due to road widening.
