

**MOBILE TREE COMMISSION****March 16, 2021**

---

**MTC-069276-2021** (*Heldover from February meeting*)

260 Michigan Avenue

**Prune limbs on one live oak on Everett Street side that are near roof and driveway.**

Council District 2

**Applicant:** Timothy Maness and Josh McKenzie**Property Owner:** Same**Historic District:** Leinkauf**Tree Location(s):** Everett Street side of property**Species and Size:** Live Oak.**Reason for pruning:**

One limb is growing down into the area of the city sidewalk and is a hazard. Another limb is growing into the security light and pole and is growing too low over the driveway to allow higher vehicles to pull into the driveway. A few limbs that are growing down too close to the roof.

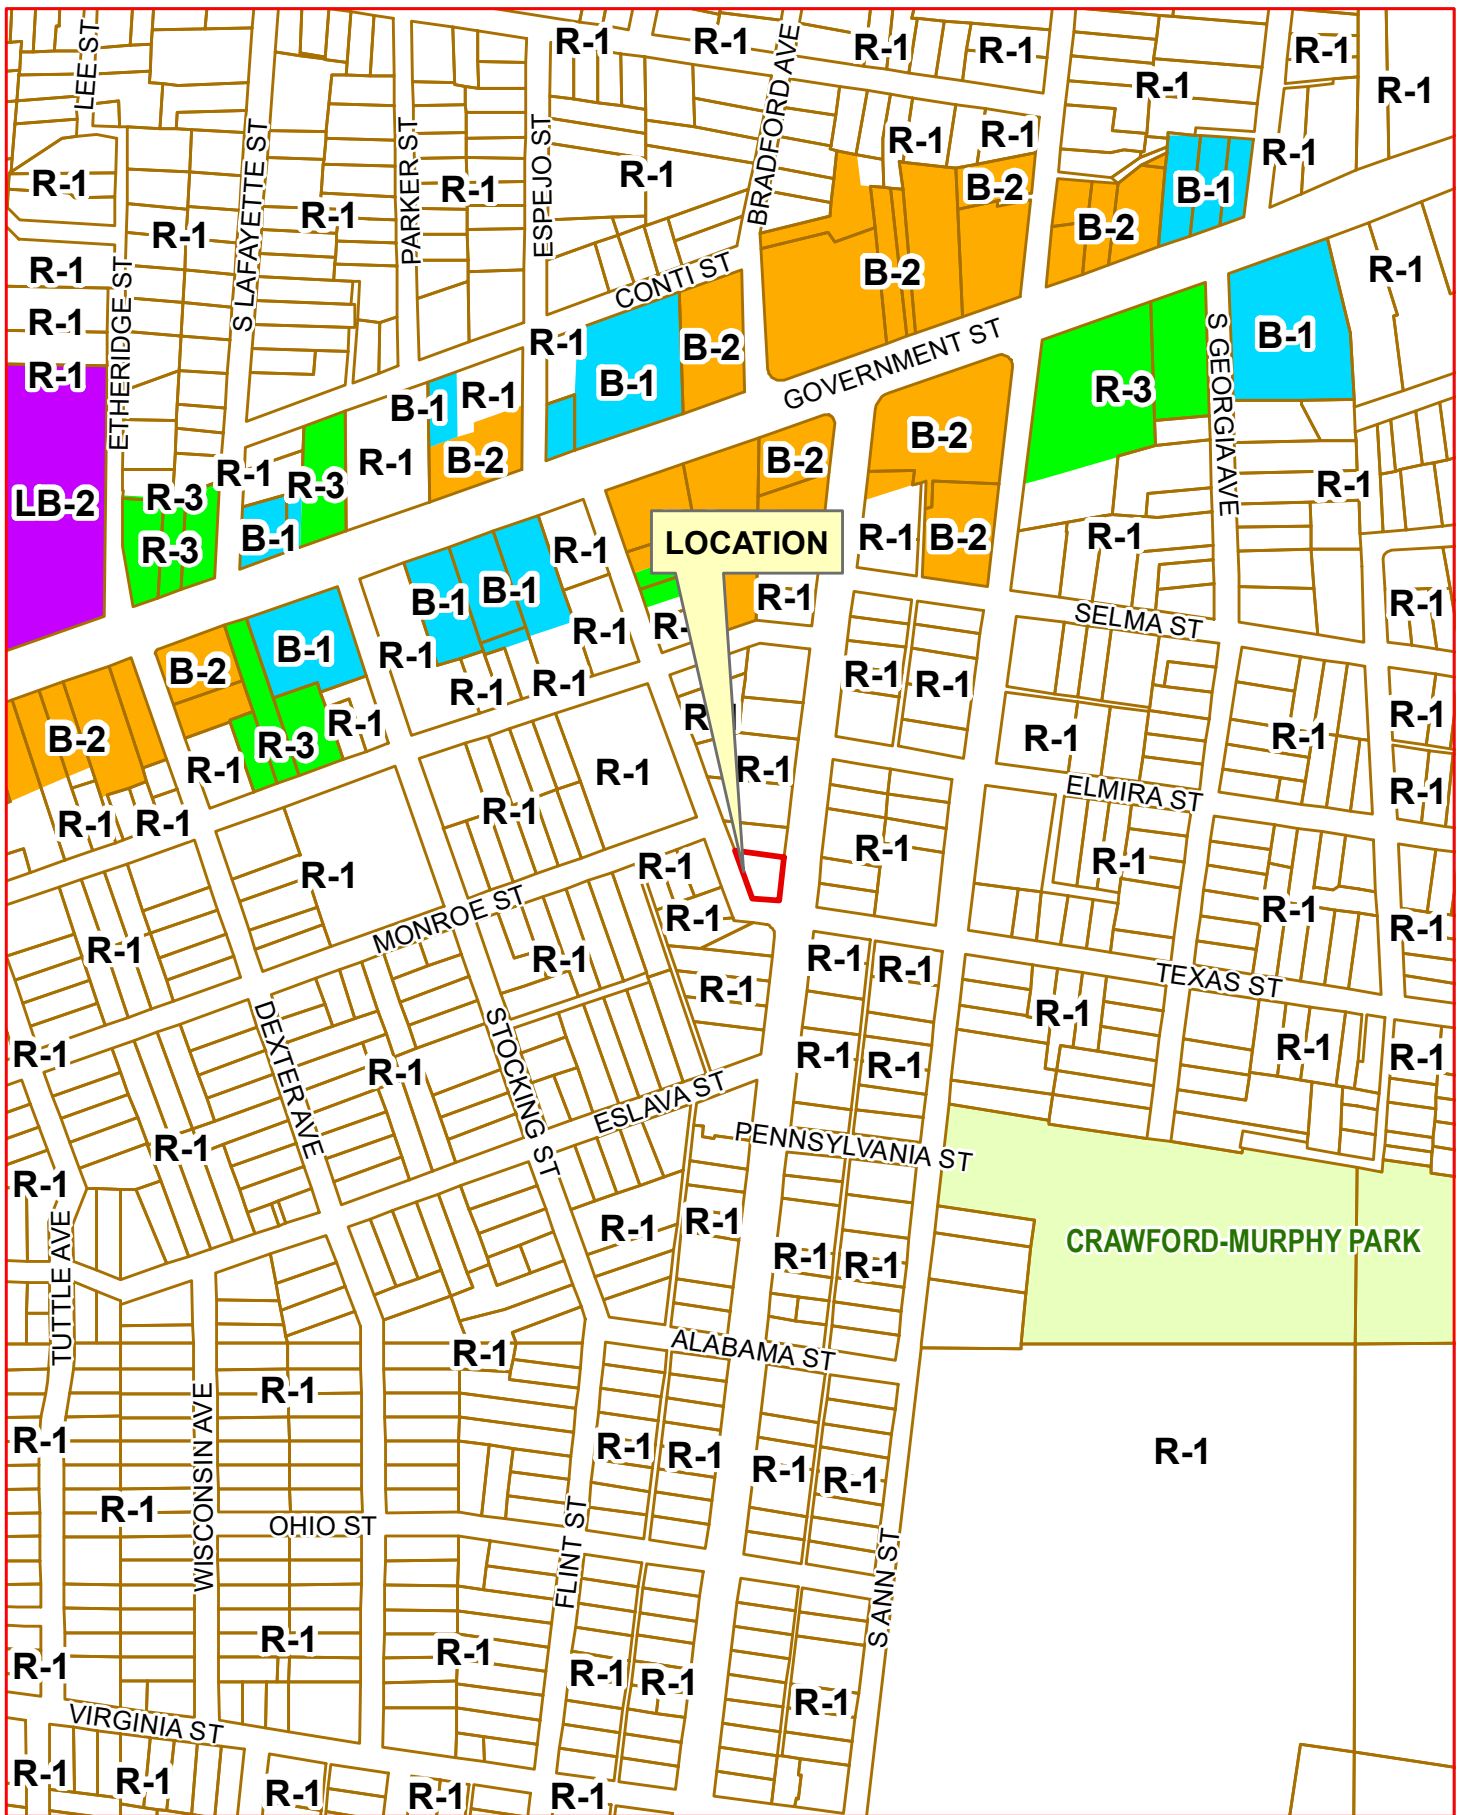

**Urban Forestry Comments:**

The proposed work is recommended for approval.

**Recommendation:**

Urban Forestry recommends Approval, subject to the following conditions:

1. Work to comply with ANSI A300 Pruning Standard.
