

MOBILE TREE COMMISSION**April 20, 2021****MTC-074330-2021**

205 South Scott Street

Pruning of Live Oak limbs, or removal of the entire tree, to protect an existing house.

Council District 2

Applicant: Felecia Arso**Property Owner:** same**Historic District:** Church Street East Historic District**Tree Location(s):** In front of 205 South Scott Street abutting the curb.**Species and Size:** Live Oak**Utility Lines:** Utility lines are present through the canopy.**Reason for pruning:**

“Bad old branches all over the tree Bad branches over my house and if they fall on my house it going too cause damage Big old branches have fell during hurricane an bad storms I’ve been complaining about the tree since 2019. Peter had done anything about it This tree can’t be cut are trim unless it by Urban Development are Tree Commission. Please somebody come cut the tree down would be nice I afford too have the tree trim are cut I was only Urban Development are the Tree Commission have to do the work”

Urban Forestry Comments:

Urban Forestry recommends denial of the requested pruning or removal work at this location.

Recommendation:

If the pruning work is approved, the work should be subject to the following conditions:

1. Work to comply with ANSI A300 Pruning Standard; and
2. Work to be coordinated with the appropriate utility provider(s).

If the removal work is approved, the work should be subject to the following conditions:

1. Obtaining of permit for any required work in the Right-of-Way from Right-of-Way Permitting Division;
2. Work to be coordinated with the appropriate utility provider(s); and
3. Provision of replacement trees, to be coordinated with Urban Forestry; or
4. Donation of trees to the Mobile Tree Commission tree bank, at a cost of \$ 200.00 per tree.
