**ANALYSIS**Mayor Stimpson has submitted a letter, pursuant to Act  
929, H. 1365 of the 1961 Regular Session as amended (2015), certifying the need to remove the  
three trees in question for public safety and/or convenience and to provide efficient and  
economical service to the public.The letter further states that the trees will be replaced by three trees (Crepe Myrtle, Dogwood, or  
Ash), whose root structure will not impeded the integrity of the sidewalk, driveway(s) or street.

The Act states that the Mayor's certification is justification to compel the Commission to approve the request.

**RECOMMENDATION**

Based on the preceding, it is recommended that the request for removal based upon Mayor Stimpson's certification be approved.

Mobile, Alabama 36633-1827

To Whom It May Concern,

Pursuant to Act 929, H. 1365 of the 1961 Regular Session as amended (2015), I hereby certify the need to remove three live oak trees in the right-of-way on Shain Street for public safety and/or convenience and to provide efficient and economical service to the public.

The trees are located at 5709 Shain Street, Mobile, Alabama 36609.

The trees will be replaced by three trees (Crepe Myrtle, Dogwood, or Ash) whose root structure will not impede the integrity of the sidewalk, driveway(s) or street.

See attached photographs.

I appreciate your prompt attention to this matter and would be pleased to answer any questions you may have regarding my certification.

Sincerely,

William S. Stimpson  
Mayor
