Re: Harmon Park Playground
PR-115-17

Dear Richard,

The City of Mobile would like to formally request \$5,000.00 from the Mobile Tree Commission to furnish and install proposed trees at the new playground currently under construction at Harmon Park. These funds will be used to plant shade trees and small flowering trees in and around the playground to provide shade and interest.

Attached is a Landscape Plan indicating proposed tree types and locations.

Should you have any questions, please let me know.

Yours truly,

James E. Crowe
Landscape Architect
