**MTC-084090-2021**

6301 Airport Blvd.

**Install ADA compliant sidewalk along the south side of Airport Blvd from Pinemont Dr to Hillcrest Rd. Attempts to acquire a sidewalk easement from the property owner failed. In order to move forward, the trees will need to be removed (4 live oaks & 2 crepe myrtles). Project cannot be partially constructed.**

Council District 6

**Applicant:** Jennifer White

**Property Owner:** N/A

**Historic District:** N/A

**Tree Location(s):** Located in front of 6301 Airport Blvd.

**Species and Size:** 4 Live Oaks ranging in size from 8"- 22"  
2 Multi-trunk Crepe Myrtle 8"

**Utility Lines:** N/A

**Reason for hold-over:**

The application was held over from the 11/16/21 meeting to the 12/21/21 to explore alternatives to removing the trees.

**Update from Urban Forestry:**

None, no additional information has been received.

**Reason for removal:**

Install ADA compliant sidewalk along the south side of Airport Blvd. from Pinemont Dr. to Hillcrest Rd. Attempts to acquire sidewalk easement from property owner failed.

**Urban Forestry Comments:**

Due to limited right of way. It is impossible to install new sidewalk without compromising the structural integrity of the frontage trees at this location.

**Recommendation:**

Work to comply with ANSI A300 Pruning Standard and a ISA Arborist.

If the removal work is approved, the work should be subject to the following conditions:

Obtaining of permit for any required work in the Right-of-Way from Right-of-Way Permitting Division;

Work to be coordinated with the appropriate utility provider(s); and

Provision of replacement trees, to be coordinated with Urban Forestry; or

Donation of trees to the Mobile Tree Commission tree bank, at a cost of \$ 200.00 per tree.
