205 Government Street, 3<sup>rd</sup> Floor, South Tower  
Mobile, AL 36633

Dear Sir or Madam:

Enclosed please find four (4) separate Applications for Permit for the removal of four (4) trees located in the parkway at 4940 Government Blvd. in Mobile. The applications are submitted by Concord Neighborhood Corporation, which owns and operates the Applebee's Neighborhood Grill & Bar. As demonstrated from the attached applications to the Mobile Tree Commission and accompanying photographs and print of the area, the trees completely block Applebee's from the Government Blvd. entrance.

Also enclosed is a check in the amount of \$120 for the four applications.

Please contact me with questions or concerns that you have. We appreciate your assistance and ask for your consideration in approving the applications.

Sincerely,

Margaret Stine  
Vice President, Legal Counsel

**Date: January 18, 2005**

**Application No.: P-2005-05**

**LOCATION: 4940 Government Boulevard**

**TREE HEALTH: Four Willow Oak Trees are healthy.**

**SITUATION: Applicant is requesting to remove the trees because they block the entrance view of the building. The trees are a requirement of new construction under the Zoning Ordinance. If the trees are removed, the site will no longer be in compliance with required frontage trees.**

**STAFF RECOMMENDATION: Staff recommends to deny the removal of the four trees, but is in favor of undercutting low branches to 6' allowing for maintenance of landscaped areas under the trees. Work to be done by ISA Certified Arborist with the coordination of Urban Forestry.**
