TREE HEALTH: The Live Oak Tree is healthy.

SITUATION: Applicant is requesting to undercut the tree in order to grow grass. Recently the applicant removed a Live Oak Tree from the right of way at this location without a permit from the Mobile Tree Commission. The applicant was found guilty in Environmental Court with the requirement of planting 6 new trees for the one tree removed.

STAFF RECOMMENDATION: Staff recommends to approve the trimming of the tree at applicant's expense with a certified ISA Arborist performing the work.
