Date: April 19, 2005

Application No.: P-2005-08

LOCATION: 251 S Georgia Avenue

TREE HEALTH: The Live Oak Tree is healthy. Work order has been created to remove hanging branch. Tree has been pruned for overhead power lines. At this time there are no tree health related reasons to justify removal of the tree.

SITUATION: Applicant is requesting to remove the Sycamore Tree and root prune the Live Oak Tree to install a new driveway. Currently the house enjoys the use of a driveway accessing from Elmira Street.

STAFF RECOMMENDATION: Staff recommends to deny the application because the site has an existing driveway on Elmira Street.
