AN ORDINANCE TO ESTABLISH A SCHEDULE OF PERMIT FEES FOR THE CITY OF MOBILE'S BUILDING CODES

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MOBILE, ALABAMA, as follows:

SECTION ONE: TITLE. This ordinance will be known as the “Building Codes Permit Fee Schedule Ordinance” for the City of Mobile, Alabama.

SECTION TWO: APPLICABILITY. This Ordinance applies to permit fees charged by the City of Mobile for building construction trades in compliance with the Building, Electrical, Gas, Mechanical, Plumbing, and Residential Codes adopted by the City of Mobile listed herein unless otherwise exempted.

Permits may be required by other departments and agencies including but not limited to the following:

City Engineering
Historic Development
Planning & Zoning
City Revenue
Right-Of-Way
Traffic Engineering

Urban Forestry
Mobile Fire Department
Alabama Power Company
Mobile Area Water & Sewer Service
Mobile Gas Corporation
Mobile County Health Department

SECTION THREE: PUBLISHED ORDINANCE. A copy of this ordinance shall be published pursuant and according to law, after its adoption, and this ordinance shall be recorded in the said Minutes of this Council.

SECTION FOUR: EFFECTIVE DATE. The said Ordinance shall be in full force and become effective on January 1, 2007, and all ordinances heretofore adopted by the City of Mobile in conflict are hereby repealed.

SECTION FIVE: SEPARATION CLAUSE. If any article, section, sentence, clause or phrases of this ordinance is for any reason held to be invalid or unconstitutional by declaration of any court of competent jurisdiction, such declaration shall not affect the validity of the remaining portions of this Ordinance.

SECTION SIX: VIOLATION PENALTIES. Any person who violates a provision of this ordinance or fails to comply with any of the requirements thereof shall be subject to penalties in accordance with Chapter 1 of the Mobile City Code.

SECTION SEVEN: SCHEDULE OF BUILDING PERMIT FEES. On new construction, modification, additions, alterations, or repairs on any building or structure, a permit fee for each
permit shall be paid at the time of filing an application. The applicable permit fees required by the City of Mobile shall be determined in accordance with the schedule of fees as listed and do not include fees required by other departments or agencies (See Section Two – Applicability).

A. Work exempt from permit. Exemptions from permit requirements of this code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction. Building permits shall not be required for the following:

1. Playhouses and similar uses provided the floor area does not exceed 120 square feet (11.15m2).
2. Oil derricks.
3. Retaining walls that are not over 4 feet (1219 mm) in height measured from the bottom of the footing to the top of the wall, unless supporting a surcharge or impounding Class I, II or III-A liquids.
4. Water tanks supported directly upon grade if the capacity does not exceed 5,000 gallons (18,927 L) and the ratio of height to diameter or width does not exceed 2 to 1.
5. Sidewalks and driveways not more than 30 inches (762 mm) above grade and not over any basement or story below and which are not part of an accessible route.
6. Painting, papering, tiling, carpeting and similar finish work that are not part of a construction project where a permit is required.
7. Temporary motion picture, television and theater stage sets and scenery.
8. Shade cloth structures constructed for nursery or agricultural purposes and not including service systems.
9. Swings and other playground equipment accessory to one- and two-family dwellings.
10. Movable cases, counters and partitions not over 5 feet 9 inches (1753 mm) in height.

B. Building Permit Fee. The value of a permit shall be determined as follows:

1. New Construction – Residential Valuation. The value of a residential permit (new construction that include work by all building trades) shall be determined by the building valuation data published set forth in Table 1 (residential construction). The square footage referenced in Table 1 is derived from the actual plans submitted to the City of Mobile that will be used to calculate the permit fee.

2. Additions, Alterations, Renovations and Repairs – Residential Valuation. The value of a permit (additions, alterations, repairs, renovations) shall be determined by a contract presented by the permit applicant.

3. New Construction – Commercial Valuation. The value of a commercial permit (new construction that includes work by all building trades) shall be determined by a contract presented by the applicant. The square footage referenced in Table 2 is derived from the actual plans submitted to the City of Mobile that will be used to calculate the permit fee.
4. Additions, Alterations, Renovations and Repairs – Commercial Valuation. The value of a permit (additions, alterations, repairs, renovations) shall be determined by a contract presented by the permit applicant.

5. General - The building construction valuation data shall be evaluated yearly and adjusted as deemed necessary by the City of Mobile. Building permit fees shall be in accordance with the schedule that follows.

On construction or addition projects where work is performed by all building trades, the general contractor, homebuilder, or owner will be required to pay the permit fees for all building trades (Building, Electrical, Mechanical & Plumbing). However, it shall be the responsibility of the subcontractors to permit all work in accordance with applicable state laws prior to starting work.

On alterations, repairs, addition or construction projects where work is not being performed by all building trades, it shall be the responsibility of each general contractors, homebuilders, owners and subcontractors to pay for permit fees separately and in accordance with the respective fee schedule. All work shall be permitted in accordance with applicable state laws prior to starting work.

1. Minimum permit fee $25.00
2. $0 to $1,000 (No inspection is required) No Fee
3. $0 to $1,000 (When inspection required) $25.00
