Fuel Gas Installation Amount (including materials and labor) \$ _____

Based on the amount entered above, \$1 to \$1000 = \$30.00 (min)

Installation amounts over \$1000: \$8 per each additional \$1000 or fraction thereof \$ _____

Total \$ _____

Fuel Gas installations, without approved engineering calculations, diagrams and or other data, shall be the responsibility of the permit holder to ensure the piping system is of such size and installed as to provide a sufficient supply of gas to meet maximum demand and supply gas to each appliance and or fixture inlet. Approval, as a result of an inspection, shall not be construed to be an approval of a violation of the provisions of this code or of other ordinances of the jurisdiction.

I hereby certify that the information herein is correct and true and all work will be in accordance with all applicable laws and codes. Permit holder is responsible for requesting inspections and failure to do so will result in a violation resulting in fines and penalties.

Fuel Gas Contractor and/or Company

Signature

Date

*Always keep construction sites clear of debris in adherence with the Anti-Litter Ordinance.
Inspection(s) on permits issued before 10:00 a.m. may be scheduled in the afternoon of that same day.
Inspections on permits issued after 10:00 a.m. will be scheduled no earlier than the next business day.*
