BOARD OF ZONING ADJUSTMENT

LETTER OF DECISION

December 7, 2022

**Re: #6482/5095**  
**(Case #BOA-002244-2022)**  
**Branded Image Group (Robin Smith, Agent)**

**(Southwest corner of Spring Hill Avenue and Bishops Lane North)**

Dear Applicant(s) / Property owner(s):

On December 5, 2022, the Board of Zoning Adjustment considered your request for a **Sign Variance to allow a digital pricing sign within 300 feet of residentially zoned property, and to allow three (3) wall signs, in a B-2, Neighborhood Business District; the Zoning Ordinance does not allow digital signs within 300 feet of residentially zoned property and does not allow three (3) wall signs, in a B-2, Neighborhood Business District.**

**After discussion, the Board determined the following Findings of Fact for Approval to allow digital pricing signs within 300 feet of residentially zoned property, and to allow three (3) wall signs:**

- 1) Approving the variance will not be contrary to the public interest in that the Digital Sign Regulations are not, in the Board's opinion, applicable to fuel price signs;**
- 2) Special conditions exist and there are hardships which exist (the applicant would not be allowed to use the latest pricing display technology, and the Board is of the opinion that the digital sign regulations are not applicable to fuel price signs) such that the literal enforcement of the provisions of the chapter will result in an unnecessary hardship; and**
- 3) The spirit of the chapter shall be observed, and substantial justice shall be done to the surrounding neighborhood by granting the variance because proposed digital fuel price signs will not be a detriment to the neighborhood.**

**The Approval is subject to the following conditions:**

- 1) Right-of-Way approval or relocation of the sign to private property;**
- 2) obtaining of the necessary sign permits;**
- 3) obtaining of the electrical permits;**
- 4) logos only to be on the canopy, at the same size (or smaller) as existing logos;**
- 5) brightness to be reduced on digital signage at night; and**
- 6) full compliance with all other municipal codes and ordinances.**

Any party aggrieved by this decision may, within **fifteen days** of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. If a permit/license has not been obtained on or before **June 5, 2023**, the variance will expire and become null and void.

**BOARD OF ZONING ADJUSTMENT**
