Dear Applicant(s) / Property Owner(s):

On April 4, 2016, the Board of Zoning Adjustment considered your request for **Surfacing Variance to allow gravel parking, access, and maneuvering areas in a B-3, Community Business District** at the above referenced location.

After discussion, the Board heldover the request until its May 2, 2016 meeting at the applicant's request, with revisions due by April 18th to address the following:

- 1) clarification of the extent of the proposed gravel surfacing to coincide with what is depicted on and Planned Unit Development site plan; and
- 2) revision of the site plan to illustrate all changes required by the Planning Commission.

For additional assistance call (251) 208-5895.

Sincerely,
