(East side of South Conception Street, 365± North of Elmira Street).

Dear Applicant(s) / Property owner(s):

On November 1, 2021, the Board of Zoning Adjustment considered your request for **Sign Variance to allow an outdoor advertising sign in excess of 300 square feet per face, within 1,000 feet of another outdoor advertising sign, and within 500 feet of residentially zoned property in an I-1, Light Industry District; the Zoning Ordinance limits outdoor advertising signs to a maximum of 300 square feet per face, no closer than 1,000 feet of another outdoor advertising sign, and no closer than 500 feet of residentially zoned property in an I-1, Light Industry District.**

After discussion, the Board determined the following findings of fact for Approval:

- 1) approving the variance request will not be contrary to the public interest; as the new sign will be the same size and height as the sign to be removed;**
- 2) special conditions appear to exist such that a literal enforcement of the provisions of the chapter will result in an unnecessary hardship; and**
- 3) that the spirit of the chapter shall be observed, and substantial justice done to the applicant and the surrounding neighborhood by granting the variance.**

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. If a permit/license has not been obtained on or before **May 3, 2022**, the variance will expire and become null and void.
