Dear Applicant(s) / Property owner(s):

On September 11, 2023, the Board of Zoning Adjustment considered your request for a Use Variance to allow a commercial food truck commissary and a food truck to be parked in an R-1, Single-Family Residential Suburban District; the Unified Development Code (UDC) does not allow a commercial food truck commissary or food trucks to be parked in an R-1, Single-Family Residential Suburban District.

After discussion, the Board determined the following findings of fact for denial:

- 1) The variance will be contrary to the public interest; as the parking of a food truck and the establishment of a commissary is not appropriate in a residential area;
- 2) Special conditions do not exist such that a literal enforcement of the provisions of the chapter will result in unnecessary hardship; and
- 3) The spirit of the chapter shall not be observed, and substantial justice done to the applicant and the surrounding neighborhood by granting the variance.

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.
