Wrico Signs (Hayden Oliver)  
District 6  
Sign Variance to allow two (2) freestanding signs and five (5) wall signs for a single business site in a B-3, Community Business Suburban District; the Unified Development Code (UDC) allows one (1) freestanding sign and two (2) wall signs for a single business site in a B-3, Community Business Suburban District.

Dear Applicant(s) / Property owner(s):

At its meeting on June 1, 2026, the Board of Zoning Adjustment considered the above referenced application.

After discussion, the Board determined the following findings of fact for approval:

- A) The variance **will not** be contrary to the public interest;
- B) Special conditions **exist** such that a literal enforcement of the provisions of the chapter **will** result in unnecessary hardship; and
- C) The spirit of the chapter **shall be** observed and substantial justice done to the applicant and the surrounding neighborhood by granting the variance.

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. If a permit/license has not been obtained on or before December 1, 2026, the variance will expire and become null and void.

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.
