Dear Applicant(s) / Property owner(s):

On November 1, 2021, the Board of Zoning Adjustment considered your request for **Sign Variance to allow an outdoor advertising sign in excess of 300 square feet per face, in excess of 35 feet in height, within 1,000 feet of another outdoor advertising sign, and within 500 feet of residentially zoned property in an I-1, Light Industry District; the Zoning Ordinance limits outdoor advertising signs to a maximum of 300 square feet per face, with a maximum height of 35 feet, no closer than 1,000 feet of another outdoor advertising sign, and no closer than 500 feet of residentially zoned property in an I-1, Light Industry District.**

After discussion, the Board determined the following findings of fact for Approval:

- 1) approving the variance request will not be contrary to the public interest;**
- 2) special conditions appear to exist such that a literal enforcement of the provisions of the chapter will result in an unnecessary hardship; and**
- 3) that the spirit of the chapter shall be observed, and substantial justice done to the applicant and the surrounding neighborhood by granting the variance.**

The approval is subject to the following condition:

- 1) if the associated ALDOT tree permit is approved, the sign height is limited to the height of the existing sign.**
