361 St. Louis Street  
Southbound Mobile, LLC  
District 2

Dear Applicant(s) / Property owner(s):

On March 4, 2024, the Board of Zoning Adjustment considered your request for a Use Variance to allow automotive services - heavy (truck rentals) in a T-5.1 Sub-District of the Downtown Development District; the Unified Development Code (UDC) does not allow automotive services - heavy (truck rentals) in a T-5.1 Sub-District of the Downtown Development District.

After discussion, the Board determined the following findings of fact for denial:

- 1) The variance will be contrary to the public interest;
- 2) Special conditions do not exist such that a literal enforcement of the provisions of the chapter will result in unnecessary hardship; and
- 3) The spirit of the chapter shall not be observed, and substantial justice not done to the applicant and the surrounding neighborhood by granting the variance.

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. If a permit/license has not been obtained on or before September 4, 2024, the variance will expire and become null and void.
