Dear Applicant(s) / Property owner(s):

At its meeting on March 2, 2026, the Board of Zoning Adjustment considered the above referenced application.

After discussion, the Board determined the following findings of fact for approval:

- A) The variance **will not** be contrary to the public interest;
- B) Special conditions exist such that a literal enforcement of the provisions of the chapter **will** result in unnecessary hardship; and
- C) The spirit of the chapter **shall** be observed and substantial justice done to the applicant and the surrounding neighborhood by granting the variance.

The approval is subject to the following conditions:

- 1) Approval of the Special Exception;
- 2) Completion of a one (1)-lot subdivision to make the site a legal lot of record prior to obtaining permits;
- 3) Provision of a compliant residential buffer;

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken.
