(Case #ZON2015-02164)

(Northwest corner of North Warren Street and St. Michael Street)

Dear Applicant(s) / Property Owner(s):

On October 5, 2015, the Board of Zoning Adjustment considered your request for **Site Variance to allow a 1092 square foot courtyard with a metal canopy supported by columns, a 3' high fence, and less than 20% transparency for frontage walls in a SD-WH Sub-district** at the above referenced location.

After discussion, the Board determined the following findings of facts for approval of the request:

- 1) Approving the variance will not be contrary to the public interest due to the fact that the Downtown Development District does not make many allowances for existing structures to be altered;**
- 2) Special conditions do exist with this site such that a literal enforcement of the provisions of the chapter will result in unnecessary hardship, by making an existing vacant, blighted structure unusually difficult to be rehabilitated and expanded; and**
- 3) That the spirit of the chapter shall be observed and substantial justice shall be done to the applicant and the surrounding neighborhood by granting the variance due to the fact that an existing vacant, blighted structure will be rehabilitated and restored as a functioning business, and the proposed improvement will meet the urban design objective of anchoring the corner of the intersection.**

The Approval is subject to the following conditions:

- 1) Obtain approval from the Consolidated Review Committee for any issues falling within the jurisdiction of the CRC, if required by the ordinance;
- 2) Obtain all necessary building and land disturbance permits; and
- 3) Full compliance with all other municipal and ordinances.

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.

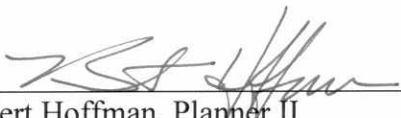

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. If a permit/license has not been obtained on or before April 5, 2016, the **Site Variance** will expire and become null and void. For additional assistance call (251) 208-5895.

Sincerely,

BOARD OF ZONING ADJUSTMENT
