Dear Applicant(s) / Property owner(s):

On January 9, 2017, the Board of Zoning Adjustment considered your request for a **Sign Variance to allow a wall sign to extend above a roofline in an I-2, Heavy Industry District; the Zoning Ordinance does not allow signs to extend above rooflines in I-2, Heavy Industry Districts** at the above referenced location.

After discussion, the Board heldover the request until the February 6, 2017 meeting so that the following can be provided:

- 1) Photo examples of the signage at other facilities owned by the applicant;**
- 2) Photo examples of the truck wraps used for advertising; and**
- 3) That the sign contractor responsible for the unpermitted installation of the signage (Advantage Sign Company) be present at the meeting to answer questions that the Board may wish to ask.**

For additional assistance call (251) 208-5895.
