Dear Applicant(s) / Property Owner(s):

On May 2, 2016, the Board of Zoning Adjustment considered your request for **Surfacing Variance to allow gravel parking, access, and maneuvering areas in a B-3, Community Business District** at the above referenced location.

After discussion, the Board heldover the request until its June 6, 2016 meeting with revisions due by May 23rd to address the following:

- 1) clarification of the extent of the proposed gravel surfacing to coincide with what is depicted on and Planned Unit Development site plan; and
- 2) revision of the site plan to illustrate all changes required by the Planning Commission.

For additional assistance call (251) 208-5895.

Sincerely,
