Re: #5190
(Case #ZON2003-01387)
Aimwell Missionary Baptist Church
500 Earle Street
(Northwest corner of North Lawrence Street and Earle Street)

Dear Applicant(s) / Property Owner(s):

On February 9, 2004, the Board considered your request for a six-months extension of the previously approved **Side Yard (street) Setback and Parking Ratio Variances to allow a 5,730 square foot two-story addition to an existing church facility within ten-feet (10') of the front property line and providing seventy-three (73) on-site parking spaces** at the above referenced location.

Inasmuch as there was no one present to represent the application, the Board voted to hold over the request until the March 1, 2004, meeting.

For additional assistance call (251) 208-5895.

Sincerely,

BOARD OF ZONING ADJUSTMENT
