Dear Applicant(s) / Owner(s):

On May 7, 2007 the Board **denied** your request for a **Sign Variance to allow six wall signs for one tenant (business) on a multi-tenant site** at the above referenced location. The Board, however, **approved a variance to allow the one large logo sign on the building above the front entrance, and the two bronze plaques on the building on either side of the entrance. The canopy signs will have to be removed.**

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. If a permit/license has not been obtained on or before **November 7, 2007, the Sign Variance** will expire and become null and void. For additional assistance call (251) 208-5895.
