Dear Applicant(s) / Owner(s):

On September 10, 2007 the Board **approved** your request for **Site Variance to allow two cellular telephone dish antennas as accessory uses to be attached to an Antenna Support Structure a minimum of 28'-8" (center) above ground level in a B-4, General Business District** at the above referenced location.

Any party aggrieved by this decision may, within fifteen days of the date of the decision, appeal to the Circuit Court of Mobile County by filing a written notice of appeal, specifying the decision from which the appeal is taken. Notice of the appeal, as well as a date stamped copy of the appeal filed in Circuit Court must be filed with this Board within the fifteen-day appeal period.

No permit, license or certification can be issued until the 15-day appeal period has expired and no appeal has been made. If a permit/license has not been obtained on or before **March 10, 2008, the Site Variance** will expire and become null and void. For additional assistance call (251) 208-5895.

Sincerely,
