No signatures are required on the drawing.);

- 11) Placement of a note on the revised plat stating Traffic Engineering comments: (A traffic impact study (TIS) has been requested for this site but has not yet been submitted or reviewed. Redevelopment of the site with a C-Store raises concerns about the driveway on Cottage Hill Road nearest to the University Blvd intersection. Traffic Engineering approval of this site is contingent upon the submission and acceptance of the traffic impact study. Owner/Developer is responsible for any improvements that may be necessary to mitigate the increase in traffic within the TIS study limits. Site is limited to driveways as shown on the approved PUD plan with size, location, and design to be approved by Traffic Engineering and conform to AASHTO standards. Any required on-site parking, including ADA handicap spaces, shall meet the minimum standards as defined in Section 64-6 of the City's Zoning Ordinance.);
- 12) Compliance with Urban Forestry comments: (Property to be developed in compliance with state and local laws that pertain to tree preservation and protection on both city and private properties (State Act 2015-116 and City Code Chapters 57 and 64). Private removal of trees in the right-of-way will require approval of the Mobile Tree Commission. Removal of heritage trees from a commercial site will require a tree removal permit.);
- 13) Compliance with Fire Department comments: (All projects within the City Limits of Mobile shall comply with the requirements of the City of Mobile Fire Code Ordinance (2021 International Fire Code). Fire apparatus access is required to be within 150' of all commercial and residential buildings. A fire hydrant is required to be within 400' of non-sprinkled commercial buildings and 600' of sprinkled commercial buildings.);
