Modification (Planning Approval): Motion to approve by Nick Amberger. Second by Josh Woods. **Approved.**

After discussion, the Planning Commission determined the following Findings of Fact to support modification of the previously approved Planning Approval:

- A. The request is consistent with all applicable requirements of this Chapter;
- B. The request is compatible with the character of the surrounding neighborhood;
- C. The request will not impede the orderly development and improvement of surrounding property;
- D. The request will not adversely affect the health, safety or welfare of persons living or working in the surrounding neighborhood, or be more injurious to property or improvements in the neighborhood:
 - i. In making this determination, the Planning Commission and City Council considered the location, type and height of buildings or structures, the type and extent of landscaping and screening, lighting, hours of operation or any other conditions that mitigate the impacts of the proposed development; and
 - ii. Includes adequate public facilities and utilities;
- E. The request is subject to adequate design standards to provide ingress and egress that minimize traffic hazards and traffic congestion on the public roads;
- F. The request is not noxious or offensive by reason of emissions, vibration, noise, odor, dust, smoke or gas; and
- G. The request shall not be detrimental or endanger the public health, safety or general welfare.
- H. Benefits Consideration. In addition, consideration was given to the City's and the larger community's best interests and the need, benefit, or public purpose of the proposed request.

Based on the Findings of Fact, the Planning Commission voted to recommend Approval of the Major Planning Approval Modification to the City Council, subject to the following conditions:

1. Provision of a note on the recorded site plan stating future development, redevelopment, or any changes to the use and/or scope of operations of an existing use of the site may require additional modification of the Planning Approval to be approved by the Planning Commission and City Council;
2. Revision of the site plan to illustrate a cross-access easement between Lots A and B, or provision of a recorded legal document with the same information;
3. Revision of the site plan to provide a table noting the off-street parking requirements of Table 64-3-12.1 of Article 3 of the UDC for each use of the site, along with the number of parking spaces provided;
4. Provision of a note on the recorded site plan stating that a buffer in compliance with the applicable standards of Article 3, Section 64-3-8 of the UDC is required to be provided and/or maintained where any portion of the subject site abuts a residentially zoned property;
5. Revision of the site plan to illustrate the 25-foot minimum building setback line along each street frontage, per Section 64-2-13.E. and 64-2-14.E. of the UDC for lots in B-2 and B-3 zoning districts;
6. Revision of the site plan to correctly label "McVay Drive North";
7. Revision of the site plan to illustrate the two (2) protected Live Oak trees, depicting their sizes (68" and 74" DBH or larger due to growth) and noting their preservation status;
8. Revision of the site plan to illustrate any existing or proposed dumpster pads, or placement of a note on the recorded site plan stating curbside waste services will be utilized;
9. Compliance with all Engineering comments noted in the staff report;
10. Provision of a note on the Final Plat stating all Traffic Engineering comments noted in the staff report;
