

THE CITY OF MOBILE, ALABAMA
MOBILE CITY PLANNING COMMISSION

LETTER OF DECISION

October 8, 2019

Russell Investments, LLC
5500 Plantation Rd
Theodore, AL 36582

Re: 5500 Plantation Road

(South side of Plantation Road, 765'± East of U.S. Highway 90 West).
Council District 4

PUD-001023-2019 (PUD)

Russell Investments, LLC

Planned Unit Development Approval to allow multiple buildings on a single building site.

Dear Applicant(s)/ Property Owner(s):

At its meeting on October 3, 2019, the Planning Commission considered the above referenced Planned Unit Development:

After discussion, the Planning Commission determined the following Findings of Fact for Approval for the Planned Unit Development:

- a) the proposal promotes the objective of Efficient land use (to encourage the most efficient and sustainable use of land, especially tracts in the inner part of the city that remain undeveloped or that are appropriate for redevelopment), because it is allowing the boat storage on a site that is primary used for warehousing;
- b) the proposal promotes the objective of Public services (to encourage optimum use of available public utilities, streets and community facilities), because it is utilizing a site that is already served with public infrastructure.

The approval is subject to the following conditions:

- 1) Provision of the lot size in square feet and acres;
- 2) Retention of the minimum building setback along Plantation Road on the site plan;
- 3) Retention of the existing right-of-way width to Plantation Road on the site plan;
- 4) Revision of the parking data information to reflect 26 total parking spaces;
- 5) Placement of a note stating that no structure shall be erected in any easement;

October 8, 2019

- 6) Either provision of dumpster enclosure height and materials as well as detail regarding sanitary sewer connection or placement of a note stating that curb side pickup will be utilized;
- 7) Compliance with Engineering comments: ***"ADD THE FOLLOWING NOTES TO THE PUD SITE PLAN: 1. Any work performed in the existing ROW (right-of-way) such as driveways, sidewalks, utility connections, grading, drainage, irrigation, or landscaping will require a ROW permit from the City of Mobile Engineering Department (208-6070) and must comply with the City of Mobile Right-of-Way Construction and Administration Ordinance (Mobile City Code, Chapter 57, Article VIII). 2. A Land Disturbance Permit application shall be submitted for any proposed land disturbing activity with the property. A complete set of construction plans including, but not limited to, drainage, utilities, grading, storm water detention systems and paving will need to be included with the Land Disturbance permit. This Permit must be submitted, approved, and issued prior to beginning any of the construction work. 3. Any and all proposed land disturbing activity within the property will need to be submitted for review and be in conformance with Mobile City Code, Chapter 17, Storm Water Management and Flood Control); the City of Mobile, Alabama Flood Plain Management Plan (1984); and, the Rules For Erosion and Sedimentation Control and Storm Water Runoff Control. 4. Provide a note that a 25' riparian buffer may be required, during development, along the edge of anything considered by ADEM to be a water of the state. 5. Any existing or proposed detention facility shall be maintained as it was constructed and approved. The Land Disturbance Permit application for any proposed construction includes a requirement of a Maintenance and Inspection Plan (signed and notarized by the Owner) for the detention facility. This Plan shall run with the land and be recorded in the County Probate Office prior to the Engineering Department issuing their approval for a Final Certificate of Occupancy. 6. The approval of all applicable federal, state, and local agencies (including all storm water runoff, wetland and floodplain requirements) will be required prior to the issuance of a Land Disturbance permit. The Owner/Developer is responsible for acquiring all of the necessary permits and approvals. 7. The proposed development must comply with all Engineering Department design requirements and Policy Letters."***;
- 8) Placement of a note on the site plan stating the following Traffic Engineering comments: ***"Lot is limited to its existing curb cuts with any changes to size, location and design to be approved by Traffic Engineering and conform to AASHTO standards. Any new on-site parking, including ADA handicap spaces, shall meet the minimum standards as defined in Section 64-6 of the City's Zoning Ordinance"***;
- 9) Compliance with Urban Forestry comments: ***"Property to be developed in compliance with state and local laws that pertain to tree preservation and protection on both city and private properties (State Act 2015-116 and City Code Chapters 57 and 64). Private removal of trees in the right-of-way will require approval of the Mobile Tree Commission. Removal of heritage trees from a commercial site will require a tree removal permit."***;
- 10) Compliance with Fire comments: ***"All projects within the City Limits of Mobile shall comply with the requirements of the City of Mobile Fire Code Ordinance. (2012 International Fire Code)."***; and
- 11) Full compliance with all other municipal codes and ordinances."
