Re: West side of McFarland Road, 340'± South of Hamilton Creek Drive
County
SUB2016-00062
O'Fallon Subdivision, First Addition
20 Lots / 7.4± Acres

Dear Applicant(s)/ Property Owner(s):

At its meeting on July 7, 2016, the Planning Commission considered the above referenced subdivision.

After discussion, the Planning Commission tentatively approved the above referenced subdivision, subject to the following conditions:

- 1) submission of seven (7) copies of the recorded plat for O'Fallon Subdivision prior to signing the Final Plat;
- 2) retention of the labeling of all lots with their size in both square feet and acres, or the furnishing of a table on the Final Plat providing the same information;
- 3) retention of the 30' dedication along McFarland Road to provide 60' from its centerline;
- 4) revision of the curb cut note on the Final Plat to state that each lot and the Detention/Common Areas are limited to one curb cut, with the size, design and location to be approved by Mobile County Engineering;
- 5) submission of a County Letter of Acceptance for the new street construction prior to signing the Final Plat;
- 6) retention of the curb radii at the intersection of O'Fallon Drive North and McFarland Road on the Final Plat;
- 7) retention of the note on the Final Plat stating that the maintenance of the Detention/Common Areas is the responsibility of the property owners;
- 8) retention of the 25' minimum building setback line along all street frontages for all lots;

O'Fallon Subdivision, First Addition
July 12, 2016

- 10) retention of the note on the Final Plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.8. of the Subdivision Regulations;
- 11) placement of a note on the Final Plat stating that the site will comply with the City of Mobile Storm Water and Flood Control ordinances;
- 12) compliance with Engineering comments: *(Must comply with the Mobile County Flood Damage Prevention Ordinance. Development shall be designed to comply with the storm water detention and drainage facility requirements of the City of Mobile storm water and flood control ordinances, and requiring submission of certification from a licensed engineer certifying that the design complies with the storm water detention and drainage facility requirements of the City of Mobile storm water and flood control ordinances prior to the issuance of any permits. New public roads shall be constructed and paved to standards for County Maintenance, and accepted by Mobile County, while new private roads shall be constructed and paved to minimum County or Subdivision Regulation standards, whichever are greater); and*
- 13) compliance with Fire comments: *[Projects outside the City Limits of Mobile, yet within the Planning Commission Jurisdiction fall under the State or County Fire Code. (2012 IFC)].*

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one (1) year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at marine.karapetyan@cityofmobile.org.

If you have any questions regarding this action, please call this office at 251-208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION
