Dear Applicant(s)/ Property Owner(s):

At its meeting on May 02, 2013, the Planning Commission waived Section V.D.3. of the Subdivision Regulations and tentatively approved the above referenced subdivision subject to the following conditions:

- 1) retention of the 25' minimum building setback line along all street frontages;
- 2) labeling of the lot size in square feet and acres;
- 3) illustration of 200' minimum right-of-way for Airport Boulevard;
- 4) compliance with Engineering comments (*The following comments should be addressed prior to review, acceptance and signature by the City Engineer: 1. Provide all of the required information on the Final Plat (i.e. signature blocks, signatures, certification statements, legal description, required notes). 2. Provide a signature block and signature from the Traffic Engineering Department. 3. Add a note to the Plat stating that storm water detention will be required for any future addition(s) and/or land disturbing activity in accordance with the Storm Water Management and Flood Control Ordinance (Mobile City Code, Chapter 17, Ordinance #65-007 & #65-045).*)
- 5) compliance with Fire Department comments (*All projects within the City of Mobile Fire Jurisdiction must comply with the requirements of the 2009 International Fire Code, as adopted by the City of Mobile.*);
- 6) placement of a note on the Final Plat limiting the lot to one curb cut, with the size, location and design of curb cuts to be approved by Traffic Engineering and conform to AASHTO standards; and

- 7) placement of a note on the Final Plat stating that approval of all applicable Federal, state and local agencies is required for endangered, threatened or otherwise protected species, if any, prior to the issuance of any permits or land disturbance activities.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one (1) year, or the Tentative Approval will expire.

It is also requested that a digital copy (DXF or DWG – AutoCAD 2007 compatible) of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [travisz@cityofmobile.org](mailto:travisz@cityofmobile.org).

If you have any questions regarding this action, please call this office at 251-208-5895.

Sincerely,

**MOBILE CITY PLANNING COMMISSION**
