Terry Wayne Adams, Jr.
3030 Ellen Drive
Semmes, AL 36575

Re: Case #SUB2008-00052
Victoria Springs Subdivision, Resubdivision of Lot 2
North side of Ellen Drive, 450'± West of Howells Ferry Road.
1 Lot / 0.6± Acre

Dear Applicant(s) / Property Owner(s):

At its meeting on April 3, 2008, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) placement of a note on the final plat stating that Lot 1 is limited to one curb cut to Ellen Drive, with the size, location and design to be approved by County Engineering and conform to AASHTO standards;
- 2) depiction of the 25' minimum building setback line along Ellen Drive;
- 3) labeling of Lot 1 with its size in square feet and acres, or the provision of a table on the plat furnishing the same information;
- 4) labeling of the remainder of Lot 2, Victoria Springs Subdivision, as "Future Development";
- 5) provision of a minimum detention capacity volume of a 50 year post development storm, with a maximum release rate equivalent to the 10 year storm pre-development rate, and the placement of a note on the final plat stating that the development will be designed to comply with all other storm water detention and drainage facility requirements of the City of Mobile storm water and flood control ordinances, and requiring submission of certification from a licensed engineer certifying that the design complies with the storm water detention and drainage facility requirements of the City of Mobile storm water and flood control ordinances, as well as the detention and release rate requirements of Mobile County for projects located within the Converse watershed, prior to the obtaining of permits. Certification is to be submitted to the Planning Section of Urban Development and County Engineering;
- 6) placement of a note on the plat stating that the site must be developed in compliance with all local, state and Federal regulations regarding endangered, threatened or otherwise protected species; and

- 7) placement of a note on the final plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at travisz@cityofmobile.org.

If you have any questions regarding this action, please call this office at 251/208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION
