Re: Case #SUB2009-00058
Alexis Place Commercial Park Subdivision
3700 Schillinger Road North
(East side of Schillinger Road North at the East terminus of Hi Wood Circle
South).
2 Lots / 1.1± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on May 7, 2009, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) **final plat to be signed and recorded simultaneously with Alexis Place Subdivision;**
- 2) **dedication of sufficient right-of-way to provide a minimum 50' as measured from the centerline of Schillinger Road North;**
- 3) **placement of a note on the final plat stating that the subdivision is limited to one shared curb cut to Schillinger Road North and Lot A is limited to one curb cut to Alexis Park Drive, with the sizes, locations, and designs to be approved by County Engineering and in conformance with AASHTO standards;**
- 4) **provision of an adequate radius, in compliance with Section V.A.16 of the Subdivision Regulations, at the intersection of Alexis Park Drive and Schillinger Road North;**
- 5) **provision of a minimum detention capacity volume of a 50 year post development storm, with a maximum release rate equivalent to the 10 year storm pre-development rate, and the placement of a note on the final plat stating that the development has been designed to comply with all other storm water detention and drainage facility requirements of the City of Mobile storm water and flood control ordinances, and requiring submission of certification from a licensed engineer certifying that the design complies with the storm water detention and drainage facility requirements of the City of Mobile storm water and flood control ordinances, as well as the detention and release rate requirements of Mobile County for projects located within the Converse watershed, prior to the obtaining of permits. Certification is to**

- be submitted to the Planning Section of Urban Development and County Engineering;
- 6) placement of a note on the plat stating that the site must be developed in compliance with all local, state, and Federal regulations regarding endangered, threatened or otherwise protected species;
 - 7) placement of a note on the final plat stating that any lots developed commercially and adjoin residentially developed property shall provide a buffer in compliance with Section V.A.7. of the Subdivision Regulations; and
 - 8) submission of a letter from a licensed engineer certifying compliance with the City of Mobile's storm water and flood control ordinances to the Mobile County Engineering department and the Planning Section of Mobile Urban Development prior to issuance of any permits.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one (1) year, or the Tentative Approval will expire.

It is also requested that a digital copy (DXF or DWG – AutoCAD 2007 compatible) of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at travisz@cityofmobile.org.

If you have any questions regarding this action, please call this office at 251/208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION
