At its meeting on May 21, 2026, the Planning Commission considered the above referenced application.

After discussion the Planning Commission determined the following criteria prevail to support Rezoning of the property to **B-3, Community Business Suburban District**:

- A) Consistency. The proposed amendment is consistent with the Comprehensive Plan;
- B) Mistake. There was a mistake or error in the original zoning map; and
- C) Compatibility. The proposed amendment is compatible with:
 - (1) The current development trends, if any, in the vicinity of the subject property;
 - (2) Surrounding land uses;
 - (3) Would not adversely impact neighboring properties; or
 - (4) Cause a loss in property values.
- D) Health, Safety and General Welfare. The proposed amendment promotes the community's public health, safety, and general welfare.
- E) Capacity. The infrastructure is in place to accommodate the proposed amendment; and,
- F) Change. Changed or changing conditions in a particular area make an amendment necessary and desirable.
- G) Benefits Consideration. In addition, consideration was given to the City's and the larger community's best interests and the need, benefit, or public purpose of the proposed request.

As such, the Planning Commission voted to recommend approval of Rezoning the property to **B-3, Community Business Suburban District**, to the City Council, subject to the following conditions:
