Re: **Case #SUB2012-00067**
Nannybo Curves Subdivision
5880 & 5890 Leatherwood Drive
(North side of Leatherwood Drive, 375'± South of Carol Plantation Road)
Number of Lots / Acres: 2 Lots / 1.5± Acres
Engineer / Surveyor: Polysurveying Engineering – Land Surveying
County

Dear Applicant(s):

At its meeting on August 2, 2012, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) dedication of right-of-way along Leatherwood Drive sufficient to provide 30-feet from centerline, with corner radius dedication;
- 2) revision of the 25-foot minimum building setback line to reflect dedication;
- 3) revision of the lot sizes to reflect dedication;
- 4) placement of a note on the final plat stating that each lot is limited to the two existing curb-cuts per lot, with any changes to the size, design, or location to be approved by Mobile County Engineering and to comply with AASHTO standards;
- 5) placement of a note on the final plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.8. of the Subdivision Regulations;
- 6) placement of a note on the final plat stating that new development of the site must be undertaken in compliance with all local, state, and federal regulations regarding endangered, threatened, or otherwise protected species;

Nannybo Curves Subdivision

August 7, 2012

Page 2

- 7) placement of a note on the final plat stating that new development must comply with the Mobile County Flood Damage Prevention Ordinance. Development shall be designed to comply with the stormwater detention and drainage facility requirements of the City of Mobile stormwater and flood control ordinances, and requiring submission of certification from a licensed engineer certifying that the design complies with the stormwater detention and drainage facility requirements of the City of Mobile stormwater and flood control ordinances prior to the issuance of any permits; and,
- 8) compliance with Fire-Rescue Department comments: *"All projects within the City of Mobile Fire Jurisdiction must comply with the requirements of the 2009 International Fire Code, as adopted by the City of Mobile."*

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one (1) year, or the Tentative Approval will expire.

It is also requested that a digital copy (DXF or DWG – AutoCAD 2007 compatible) of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at travisz@cityofmobile.org.

If you have any questions regarding this action, please call this office at 251-208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION

Dr. Victoria Rivizzigno, Secretary
