Kent Estates Subdivision
1216 Silver Drive
(East side of Silver Drive, 35'± North of its South terminus).
1 Lot / 0.2± Acre

Dear Applicant(s) / Property Owner(s):

At its meeting on June 5, 2008, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) placement of a note on the final plat stating that Lot 1 is limited to one curb cut onto Silver Street with the size, location and design to be approved by Traffic Engineering and conform to AASHTO standards; and**
- 2) placement of a note on the plat stating that the site must be developed in compliance with all local, state and Federal regulations regarding endangered, threatened or otherwise protected species.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy (DXF or DWG – AutoCAD 2007 compatible) of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at travisz@cityofmobile.org.
