LETTER OF DECISION**

November 19, 2004

Audubon Cove, Inc.
601 S. Pala Fox St.
Pensacola, FL 32502

**Re: Case #SUB2004-00231
Audubon Cove Subdivision**

Southwest corner of Higgins Road and Audubon Drive, extending South and West to the Southern terminus of Clemson Drive, and to the Northeast corner of Cole Drive and Audubon Drive.

57 Lots / 58.0± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on November 18, 2004, the Planning Commission waived Section V.D.3. and approved the above referenced subdivision subject to the following conditions:

- 1) the approval of all applicable federal, state and local agencies;**
- 2) the placement of a note on the final plat stating that Lots 6-7; 28-30, and 33-35 will share one curb cut; and**
- 3) full compliance with the City Engineering Comments (must comply with all stormwater and flood control ordinances; any work performed in the right of way will require a right of way permit; developer must provide an approved outfall into a City of Mobile maintained system at any point of discharge where one does not exist; this development contains one or more points of discharge where an acceptable outfall does not exist, thus, the developer will be required to provide outfall approved by the City Engineer).**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

Sincerely,
