Re: Case #SUB2005-00048
Magnolia Branch Estates Subdivision, Resubdivision of and Addition to
North side of Hamilton Boulevard, 760'± West of Viking Way.
4 Lots / 12.0± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on April 7, 2005, the Planning Commission waive Section V.D.3., of the Subdivision Regulations, and approved the above referenced subdivision subject to the following conditions:

- (1) placement of a note on the Final Plat stating that lots 1-4 are limited to one curb cut each, with curb cut number, sizes, location and design to be approved by County Engineering;
- (2) approval of all applicable federal, state and local agencies regarding the wetlands and floodplain issues prior to the issuance of any permits; and
- (3) placement of a note on the Final Plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
