**Re: Case #SUB2005-00261**  
**Wide Acres Subdivision, Resubdivision of a Portion of Lot 15, Resubdivision of Lot 1**  
6780 Barnes Road  
(North side of Barnes Road,  $\frac{3}{4}$  mile $\pm$  West of Nan Gray Davis Road).  
Tentative for 2 Lots / 0.7 $\pm$  Acre Subdivision.

Dear Applicant(s) / Property Owner(s):

At its meeting on January 5, 2006, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) **the placement of a note on the final plat stating that any property that is developed commercially and adjoins residentially developed property shall provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations; and**
- 2) **the placement of the 25-foot minimum building setback line on the final plat.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [marti.watson@cityofmobile.org](mailto:marti.watson@cityofmobile.org).
