MOBILE CITY PLANNING COMMISSION LETTER OF DECISION

SAMUEL L. JONES MAYOR August 14, 2013

Don Williams 6300 Piccadilly Sq. Dr. Mobile, AL 36609

Re: Case #SUB2013-00072 (Subdivision)

Cosgrove Subdivision

5467 Norden Drive South

West terminus of Lusann Drive extending to the West terminus of Norden Drive South.

13 Lots / 5.7± Acres

Dear Applicant(s)/ Property Owner(s):

At its meeting on August 8, 2013, the Planning Commission waived Section V.D.1 of the Subdivision regulation and tentatively approved the above referenced subdivision subject to the following conditions:

- 1) All new road construction must comply with Engineering Department requirements;
- 2) Placement of a note on the final plat stating that each lot and common area is limited to one (1) curb-cut each, with the size, design and location of all curb-cuts to be approved by Traffic Engineering and conform to AASHTO standards;
- 3) Placement of a note on the final plat stating that no structure may be built within any easements;
- 4) Depiction of the 25-foot minimum building setback line from all street frontages and where each lot is a minimum of 60-feet in width, as required by Sections V.D.2. and V.D.9. of the Subdivision Regulations;
- 5) The labeling of each lot with its size in square feet, or placement of a table on the plat with the same information;
- 6) Labeling of all common areas, including detention common areas, and placement of a note on the final plat stating that the maintenance of the common areas is the responsibility of the property owners;
- 7) Provision of sidewalks along all new streets within the development;
- 8) Compliance with Engineering comments (The following comments should be addressed prior to review, acceptance and signature by the City Engineer: 1)

Provide all of the required information on the Final Plat (i.e. signature blocks, signatures, certification statements, legal description, required notes) including the Professional Land Surveyor seal and signature. 2) Provide a signature block and signature from the Planning Commission, Owner(s) (notarized), and the Traffic Engineering Department. 3) Provide a signature block for the City Engineer and the County Engineer. 4) Add a note to the Plat stating that a Land Disturbance Permit will be required for any site improvements on the property. These improvements may require storm water detention. The Permit submittal shall be in accordance with the Storm Water Management and Flood Control Ordinance (Mobile City Code, Chapter 17, Ordinance #65-007 & #65-045). 5) Add a note to the Plat that any work performed in the existing ROW (right-of-way) such as driveways, sidewalks, utility connections, grading, drainage, irrigation, or landscaping will require a ROW permit from the City of Mobile Engineering Department (208-6070) and must comply with the City of Mobile Right-of-Way Construction and Administration Ordinance (Mobile City Code, Chapter 57, Article VIII). 6) All roadway, utility, and storm drainage improvements associated with the proposed ROW must be complete, tested, and accepted by the Engineer-of-Record. 7) Add a note to the Plat stating that any work performed within this development must comply with all Engineering Department Policy Letters. 8) The City Engineering Department must provide Final Inspection approval. 9) The City Council must accept the proposed roads and ROW for maintenance acceptance. 10) Any request for the vacation of a portion of any ROW and/or easement must be submitted to the City Clerk and approved by the City Council. 11) Show the Minimum Finished Floor Elevation (MFFE) for all lots within the development. Check with City Engineering Department on historic flooding conditions. 12) Provide a copy of the approved USACOE Section 404 permit for the filling of wetlands. Show all existing and proposed wetland boundaries.)

- 9) Compliance with Fire comments (All projects within the City of Mobile Fire Jurisdiction must comply with the requirements of the 2009 International Fire Code, as adopted by the City of Mobile.);
- 10) Compliance with Traffic Engineering comments (Driveway number, size, location, and design to be approved by Traffic Engineering and conform to AASHTO standards.);
- 11) Compliance with Forestry comments (Property to be developed in compliance with state and local laws that pertain to tree preservation and protection on both city and private properties (State Act 61-929 and City Code Chapters 57 and 64).);
- 12) Approval of all applicable federal, state and local agencies regarding wetlands and floodplain issues prior to the issuance of any permits or land disturbance activities;
- 13) Placement of a note on the plat stating that approval of all applicable Federal, state and local agencies is required for endangered, threatened or

otherwise protected species, if any, prior to the issuance of any permits or land disturbance activities;

- 14) Submission of a revised PUD site plan prior to the signing of the final plat; and
- 15) Completion of the Subdivision process prior to any request for permits for new home-related land disturbance or construction.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, <u>seven</u> copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one (1) year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at travisz@cityofmobile.org.

If you have any questions regarding this action, please call this office at 251-208-5895.

Sincerely,

By:

Re:

Case # ZON2013-01618 (Planned Unit Development)

Cosgrove Subdivision

5467 Norden Drive South

West terminus of Lusann Drive extending to the West terminus of Norden Drive South.

Planned Unit Development Approval to allow reduced side yard setbacks for a proposed subdivision.

Dear Applicant(s)/Property Owner(s):

At its meeting on August 8, 2013, the Planning Commission considered for Planned Unit Development Approval to allow reduced side yard setbacks for a proposed subdivision.

After discussion, it was decided to approve the above referenced Planned Unit Development subject to the following conditions:

- 1) Depiction and labeling of the front (25 feet +), side (5 feet) and rear (8 feet) setbacks for all lots, with the exception of Lot 12, which will have a side yard setback on the East boundary of 8 feet, and a side yard setback of 5 feet on the West boundary;
- 2) Depiction of the 25-foot minimum building setback line from all street frontages and where each lot is a minimum of 60-feet in width;
- 3) Labeling of the maximum site coverage (35%) allowed for all lots;
- 4) Labeling of each lot with its size in square feet, or placement of a table on the plat with the same information;
- 5) Revision of the site plan to depict and label the provision of a six-foot high wooden privacy fence placed along the rear of Lots 1-9, where they abut the floodway and drainage easement for Twelve Mile Creek, to be constructed as

- each lot is developed, subject to Engineering approval due to possible drainage issues;
- 6) All new road construction must comply with Engineering Department requirements;
- 7) Placement of a note on the site plan stating that each lot and common area is limited to one (1) curb-cut each, with the size, design and location of all curb-cuts to be approved by Traffic Engineering and conform to AASHTO standards;
- 8) Placement of a note on the site plan stating that no structure may be built within any easements;
- Labeling of all common areas, including detention common areas, and placement of a note on the final plat stating that the maintenance of the common areas is the responsibility of the property owners;
- 10) Provision of sidewalks along all new streets within the development, or application to the Planning Commission for a sidewalk waiver;
- 11) Compliance with Engineering comments (1) Add a note to the PUD drawing stating that any work performed in the existing Lusann Drive or Norden Drive South ROW (right-of-way) such as grading, drainage, driveways, sidewalks, utility connections, irrigation, or landscaping will require a ROW permit from the City of Mobile Engineering Department (208-6070) and must comply with the City of Mobile Right-of-Way Construction and Administration Ordinance (Mobile City Code, Chapter 57, Article VIII). 2) Add a note to the PUD drawing stating that any and all proposed development will need to be in conformance with the Storm Water Management and Flood Control Ordinance (Mobile City Code, Chapter 17, Ordinance #65-007 & #65-045); the City of Mobile, Alabama Flood Plain Management Plan (1984); and, the Rules For Erosion and Sedimentation Control and Storm Water Runoff Control. 3) Add a note to the PUD drawing stating that any work performed within this development must comply with all Engineering Department Policy Letters. 4) Sidewalk along the frontage of public ROW is required, unless a waiver is approved.)
- 12) Compliance with Fire comments (All projects within the City of Mobile Fire Jurisdiction must comply with the requirements of the 2009 International Fire Code, as adopted by the City of Mobile.);
- 13) Compliance with Traffic Engineering comments (Driveway number, size, location, and design to be approved by Traffic Engineering and conform to AASHTO standards.);
- 14) Compliance with Forestry comments (Property to be developed in compliance with state and local laws that pertain to tree preservation and protection on both city and private properties (State Act 61-929 and City Code Chapters 57 and 64).);
- 15) Approval of all applicable federal, state and local agencies regarding wetlands and floodplain issues prior to the issuance of any permits or land disturbance activities;

- 16) Approval of all applicable Federal, state and local agencies is required for endangered, threatened or otherwise protected species, if any, prior to the issuance of any permits or land disturbance activities;
- 17) Submission of a revised PUD site plan prior to the signing of the final plat;
- 18) Completion of the Subdivision process prior to any request for permits for new home-related land disturbance or construction; and
- 19) Compliance with all other municipal codes and ordinances.

If you have any questions regarding this action, please call this office at 251-208-5895.
