Dear Applicant(s) / Property Owner(s):

At its meeting on July 19, 2007, the Planning Commission considered the above referenced subdivision.

However, it was decided to holdover this application until August 16th meeting to give the applicant time to provide evidence of compliance with the area requirements for lots served by public water and individual septic tanks, or the provision of a letter from the Mobile County Health Department stating that the site complies with septic system requirements.

If you have any questions regarding this action, please call this office at 251/208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION
