Dear Applicant(s) / Property Owner(s):

At its meeting on October 7, 2004, the Planning Commission approved the above referenced subdivision subject to the following condition:

- (1) that the Engineer provide verification that the existing stormwater system, including designed and constructed detention, can accommodate the increased site coverage.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [henley@cityofmobile.org](mailto:henley@cityofmobile.org). If you have any questions regarding this action, please call this office at 251/208-5895.

Sincerely,

**MOBILE CITY PLANNING COMMISSION**
