Re: Case #SUB2004-00144
Carol Plantation Subdivision, Second Unit, Resubdivision of Lot 336
6178 Sperry Road (West side of Sperry Road at the West terminus of Boykin Road).
2 Lots / 2.3± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on July 1, 2004, the Planning Commission waived Section V.D.3. (width to depth ratio), of the Subdivision Regulations, and approved the above referenced subdivision subject to the following conditions:

- (1) lot 336-A be a minimum of 60-feet wide;
- (2) the placement of a note on the final plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations; and
- (3) the placement of the 25-foot minimum setback lines on the final plat.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
