Dear Applicant(s)/ Property Owner (s):

At its meeting on July 20, 2023, the Planning Commission considered the above referenced application.

- A. The request is consistent with all applicable requirements of this Chapter;
- B. The request is compatible with the character of the surrounding neighborhood;
- C. The request will not impede the orderly development and improvement of surrounding property;
- D. The request will not adversely affect the health, safety or welfare of persons living or working in the surrounding neighborhood, or be more injurious to property or improvements in the neighborhood:
 - 1. In making this determination, the Planning Commission and City Council shall consider the location, type and height of buildings or structures, the type and extent of landscaping and screening, lighting, hours of operation or any other conditions that mitigate the impacts of the proposed development; and
 - 2. Includes adequate public facilities and utilities;
- E. The request will minimize traffic hazards and traffic congestion on the public roads;
- F. The request is not noxious or offensive by reason of emissions, vibration, noise, odor, dust, smoke or gas;
- G. The request shall not be detrimental or endanger the public health, safety or general welfare; and
- H. Benefits Consideration. The request will be in the City's and the larger community's best interests.

Based on the above criteria, the Planning Commission voted to recommend Approval of the Major PUD Modification to the City Council, subject to the following conditions:

5. Placement of a note on the recorded site plan stating the subdivision is denied direct access to Alexander Street;
6. Compliance with all Engineering comments noted in the staff report;
7. Placement of a note on the Final Plat stating the Traffic Engineering comments noted in the staff report;

11. Full compliance with all municipal codes and ordinances.

Once the application has been approved by the City Council, the approved site plan illustrating compliance with all required conditions must be recorded in Probate Court. A copy of the recorded document in pdf format must be submitted to the Planning and Zoning Department via email (planning@cityofmobile.org) or uploaded to the case via CSS. If no construction permit is obtained to implement the approved modification within two (2) years of approval, the modification shall expire, unless an extension request is filed and approved by the Planning Commission and City Council.
