Re: Case #SUB2003-00144
Airport Acres – No. 2 Subdivision, Resubdivision of Lots 19 & 20
North side of Old Government Street Road, 875' ± West of Schillinger Road.
2 Lots / 2.2± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on July 24, 2003, the Planning Commission waived Section V.D.3. (width to depth ratio), of the Subdivision Regulations and approved the above referenced subdivision subject to the following conditions:

- (1) the dedication of sufficient right-of-way to provide 25 feet from the centerline of Old Government Street Road;
- (2) placement of the 25-foot minimum building setback lines on the final plat; and
- (3) the placement of a note on the final plat stating that any property that is developed commercially and adjoins residentially developed property shall provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
