Dear Applicant(s) / Property Owner(s):

At its meeting on January 4, 2007, the Planning Commission granted a one-year extension of approval for the above referenced subdivision. It is further recommended that future units will be required to provide certification regarding compliance with stormwater requirements and should provide one of the additional access points as required by the original approval.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one (1) year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [travisz@cityofmobile.org](mailto:travisz@cityofmobile.org).
