North side of Bullitt Drive, 375'± West of Schillinger Road South.  
2 Lots / 0.8± Acre

Dear Applicant(s) / Property Owner(s):

At its meeting on April 6, 2006, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) **the placement of a note on the final plat stating that the site is limited to a single curb cut for each lot; and**
- 2) **the placement of a note on the final plat stating that any lots that are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7 of the Subdivision Regulations.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [marti.watson@cityofmobile.org](mailto:marti.watson@cityofmobile.org).
