Re: Case #SUB2003-00176
Butler Addition to Turmac Drive Subdivision
North side of Turmac Drive, 820'± West of Dykes Road.
2 Lots / 3.9± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on September 4, 2003, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- (1) the placement of a note on the final plat stating that Lots A and B are limited to one curb cut each to Turmac Drive, with the size, location and design to be approved by County Engineering; and
- (2) the placement of a note on the final plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
