Dear Applicant(s) / Property Owner(s):

At its meeting on July 21, 2005, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) the dedication of sufficient right-of-way to provide 25' from the centerline of Club House Road, with adjustment of the 25' building setback line to reflect the dedication;**
- 2) the placement of a note on the final plat stating that the site is limited to existing curb cuts; and**
- 3) the provision of a buffer between the site and adjoining residential properties, in compliance with Section V.A.7 of the Subdivision Regulations.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [olsen@cityofmobile.org](mailto:olsen@cityofmobile.org).
